# Community Climate Action Programme
## Shared Learning Lunchtime Series
**Guidance from Strand 2** 'Climate Education, Capacity Building and Learning by Doing' **Projects for Potential Strand 1** 'Building Low Carbon Communities' **Applicants**

## About

Organisations funded under **Strand 2 of the CCAP Programme** have been developing good practice approaches, resources, trainings, guidance toolkits, case studies, apps (and more!) since October 2021. These will support Communities to take action on climate change at a community level.

This series of workshops aim to raise awareness of the Strand 2 Projects and **share the learning, resources and good practice approaches developed** so far to potential applicants for Strand 1 & 1A.

## Who will benefit from attending?

Organisations wishing to apply for grant funding under Strand 1 '**Building Low Carbon Communities'** and 1a '**Shared Ireland Community Climate Action' (open for applications now until late Feb/ early March depending on local authority).**

Join the workshops on theme(s) most relevant to your proposed project.

## Why attend?

- Hear more about the Strand 2 projects under each theme
- Learn about the **good practice approaches/toolkits/websites/resources/trainings** being developed which may help strengthen your proposed project
- Get project ideas!
- Ask practical questions
- Explore opportunities for collaboration under 1A

## More Information

For more information on the projects presenting under each of the themes and to register for each session please **see the Pobal CCAP webpage here**.

For more information on applying for Strand 1 please contact the Community Climate Action Officer in your Local Authority. Contact details are available **here**.
